ORDER

Before: GOULD, CLIFTON, and BYBEE, Circuit Judges.

This court lacks jurisdiction over this appeal because it arises under United States patent laws and the Federal Circuit holds exclusive jurisdiction over appeals of the district court's final judgment in cases that "arise under" the patent laws. *See* 28 U.S.C. § 1295(a)(1). Accordingly, appellant's unopposed motion to transfer this appeal to the United States Court of Appeals for the Federal Circuit is granted.

The Clerk shall transfer the appeal to the United States Court of Appeals for the Federal Circuit.

Upon transfer of the appeal, the Clerk shall close this appeal.
